To a Lady, who valu'd herſelf on ſpeaking her Mind in a blunt *Manner, which ſhe call'd being* ſincere.

WELL you *Sincerity* diſplay,
A Virtue wond'rous rare!
Nor value, tho' the World ſhould ſay,
You're *rude*, ſo you're *ſincere*.

To be *ſincere*, then, give *me* leave,
And I will frankly own,
Since you but this *one* Virtue have,
'Twere better you had *none*.
